“Coaching for Effective School Leadership that is Rewarding and Sustainable”

“I am afraid of upsetting staff”

“I seem to be permanently chasing my tail”

“I am trying to keep everyone happy”

“I cannot ask the team to do more they are so busy all ready”

“I really enjoy the students but get so little time with them”

“I never get to focus on Teaching and Learning with all the paperwork”

“I cannot keep going at this pace”

“How will I make it to retirement?”

“It’s no one else’s job so it must be mine”

“I prefer to do it myself as I know it will be done right”

“Its so hard to know if I am doing the right thing”

“I seem to do all the talking”

Accessing the CSL Coaching service

There will be 400 coaching places for DES registered school principals. There are 40 CSL coaches in 6 different regions around the country. Principals can choose to attend a coach in any of the regions listed below. Principals should select their preferred region and browse the biographies of the coaches available in the region. Contact can then be made with the selected coach via the contact details on the coach's page. In most cases the contact details refer to a coaching company. The coaching company will arrange the chemistry meeting between the Principal and the Coach.
